Originally, the regents envisioned a small, several thousand-student liberal arts college, a so-called "Williams College of the West", at Santa Barbara. Chronologically, UCSB is the third general-education campus of the University of California, after Berkeley and UCLA (the only other state campus to have been acquired by the UC system). The original campus the regents acquired in Santa ...

Another death came on Fathers Day, June 21, when Dr. Bruce Hedenal DC Ph.D., of the Miami area, was found dead in his car with no explanation as to how it happened. As of right now, there are even fewer details about the circumstances surrounding Hedenal's death as there are about the death of Broadstreet. To make matters even more suspicious, both doctors have had run-ins with the feds due ...

The COVID-19 pandemic and associated disruptions have had a major impact on the US academic research enterprise. This report provides a landscape review of what is known about these impacts, from March through mid-October 2020, with an aim of identifying gaps that should be addressed. Our focus is on externally funded research, and therefore we emphasize STEM fields almost exclusively.
